Dear friends,

Blue Spruce is honored to participate in the Inaugural Habitat for Humanity International Rural Rally, part of the Jimmy & Rosalynn Carter Work Project, shining a spotlight on the urgent need for affordable housing in rural America.

This year BSHFH celebrates 35 years of building homes, fostering hope, and nurturing community across our beautiful mountain region! To honor this significant milestone, we warmly invite you to join us for the Blue Spruce Habitat for Humanity Rural Rally Open House & 35th Anniversary Celebration — a relaxed community gathering at the ReStore (15th years of recycling and making a positive impact in our community).

This is a wonderful opportunity to reconnect with friends, meet new people, and celebrate the incredible contributions of everyone who has been a part of our journey, including volunteers, homeowners, donors, sponsors, and community partners.

We look forward to celebrating this momentous occasion with you!
